Dear Professor Bernacer,

Permit me to thank you for the receipt of reprint of your article, "La Estabilidad Monetaria", also the reprint of Robertson's critique of your work. This is indeed a very handsome encomium from Prof. Robertson. I wish somebody of equal distinction might do as much for me.

When I get my own little book off the press I will be glad to give some attention to these reprints.

I am instructing the local library to subscribe to the review, *Anales de Economia* today.

With best wishes, I am,

Sincerely yours,
