AIR MAIL

Mr. R. Bernacer
Delgado Barreto 4
Madrid
SPAIN

Dear Mr. Bernacer:

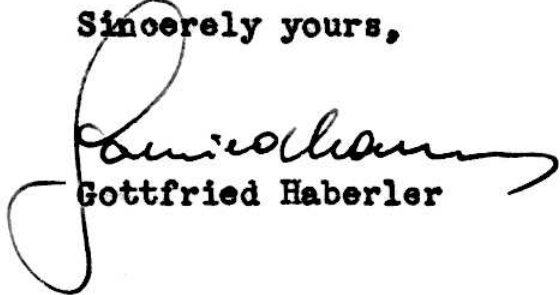

I am going ^{plus} to summer to a round table
the International Economic Association in Rio,
from Europe and on the way back my plane stops
Madrid. That will probably be on August 27.
I like very much to take that opportunity to make
personal acquaintance, if it so happened that
you be in town at that time.

Would it be possible for you to let
me know at my European address whether there would be
a chance of seeing you? A little later in the summer
I would see more clearly about my plans and would
let you know definitely whether I will be there.
My address will be: Mauren, Liechtenstein. (Su)
