June 18, 1911

Dear Dr. Bernácer,

I have just received your most interesting article "and Freedom" for which I thank you sincerely. I congratulate the clearness and penetration of your analysis.

Some time this year, I hope to be in Europe. If I am in Europe, I certainly hope to visit Spain; in which case, I should count upon seeing you.

With cordial greetings, I am,

Yours faithfully,

Constantine E. McGuire

Señor Doctor,  
Germán Bernácer,  
Barco de España,  
Madrid, SPAIN
