Dear Professor Bernacer,

Thank you for your letter of Feb 13.
I am glad the work has made such ^{good} progress.
I am not attempting to make any
changes in the reprint which is shortly
to be made here, so I will not attempt
to make any in the Spanish edition
either.

Your article lies on the top of my
list of unreviewed papers, and I really do
hope to reach it before long! Just at
present my work as a member of a
Royal Commission ("Equal Pay for Equal
Work") seems to take all the mental
energy I can spare from the routine

with y^e Dechring and teaching.

With your wishes.

Yours sincerely

D. H. Hartony.
